Qualitative feedback

Has the training program covered what you expected? If partly or no, why?

What topic/issue has been the most important for you?

- Unspoken issues within groups.
- Dynamics/ learning styles/ whistle exercise
- The balance between structure, spontaneity, safety and risk.

What topic/ issue has been the least important for you?

- Information relative to organisational groups/ counselling groups. But only because I do not work within groups in this context.

What impact will this training have on your work?

- It will challenge me to be more sensitive to the power influence of the facilitator and more motivating individual capacity. Also the restrictive solutions – info was great.
- I'll be a lot more aware of individual learning and use 'transparency' to handle/tackle some of the unspoken issues/barriers
- Definitely allow to use some of this in running of groups.

Any other comments about the training course

- This course delivered a much deeper and richer exploration of groups and dynamics. Very thorough.
- This course created a lot of valuable group discussion.
- Excellent session. Well facilitated. Good mix of learning styles/activities.
